SOME OF Y'ALL think I'm really pimpin'. It's funny being introduced to people. Women smile and will be like, "Mr. Booty himself. It's a pleasure to meet you." Dudes are funny, too: "You have the best job in the world. Just let me hold the lights at one of your girls shoots! I'll get the coffee, newspaper, anything!" They think I'm out wilding with women, livin' it up like Mr. Marcus. Most of the times, I just laugh it off and shake my head. "If you were me, how would you do it?" - Goldie
