

TEACH PEACE

NOT HATE

It's almost 2006 and if you don't know it, racism is alive and it's ugly. I find myself looking at people asking myself "why"? Why would you wear that? Why would you buy that for your child? How would that parent feel if someone harmed their child because their child was wearing a "cool shirt". These ARE NOT cool shirts. So many people are wearing this and don't have a fuckin' clue! Wake the fuck up and stop this monkey see monkey do bullshit! Please take a moment and read up on this "IRON CROSS" so you will know the history of this Iron Cross, who wore it, its true meaning and what it could mean to some.

Yea, I know this is not adult entertainment related, but this is something I think everyone needs to be educated on. Some of you will agree and some of you won't. I did my research and now I ask for you to do the same. I'm gonna make it easy for you with a few links right here at your finger tips. I'm not gonna beat around the bush; I'm not a fan of this symbol at all. To me it represents a modern day swastika in a secret way. Some may argue for it's early meaning before Hitler got his hands on it, or that it's just a nice looking symbol. I feel this symbol has more of a racist identification value than anything and I think it should be left in the past. I hate the fact of actually putting a fuckin swastika in my magazine, but I felt it was worth it to educate you.

Come on people! Please spread the love for one another and stop promoting hate. Don't buy another shirt with these hate signs on

them. I pray that stores will soon pull these shirts and stop selling them. Not only these hate signs, but SKIN industries is another one. Just in case you don't know it, SKIN is short for SKIN HEAD. Be sure to check this site out:
