

Straight From The Editor

TO ALL MY married fellas, DO NOT try this at home. This type of flossing is for professionals only. But, if you insist on having such a fine gathering you better have a cool-ass lady; luckily, mine was born in the winter. As for the single playboys out there, cut my face out and put yours in. See I like to spread love the CALI way. I'm making it possible for you to participate, Don't hate, just cut and past.
